## TECHNICAL SKILLS

---

**Programming Languages:** Java, Javascript, Python

**Database:** MySQL

**Tools:** Git, GitHub, VS Code, Postman

## WORK EXPERIENCE

---

### SafeYourWeb Infosec Pvt Ltd

Frontend Developer Intern

Remote

Apr 2025 - Jul 2025

- Converted Figma designs into modular components, improving UI consistency and ensuring responsiveness across devices.
- Integrated REST APIs + Razorpay to enable smooth signup-to-payment workflows.
- Performed API testing for 15+ endpoints using Postman, coordinating with backend teams.

### IIT Academy

Frontend Developer Intern

Remote

Feb 2025 - Apr 2025

- Built dynamic college listing pages, improving engagement by 20%.
- Optimized data integration for 10+ colleges, improving accessibility for prospective students.
- Created category-wise career pages for simplified navigation, reducing search time for 5+ categories.

## PROJECTS

---

### Travel Minds - [Live](#)

Tech Stack: JavaScript, Firebase

Jul 2025

- Developed an AI-powered travel planner using Claude 3 Haiku LLM to generate personalized itineraries in less than 60 seconds, based on user budget and preferences.
- Engineered day-wise trip visualization with budget tracking, implemented social sharing and bookmarking features.
- Enabled secure Google OAuth via Firebase, boosting user retention with personalized trip management.

### Business Fraud Detection using Machine Learning Model - [GitHub](#)

Tech Stack: Python, Pandas, Scikit-learn, NumPy

Jun 2025

- Developed a machine learning model to detect fraudulent transactions, achieving 85% accuracy using Random Forest and XGBoost algorithms.
- Preprocessed transactional data with pandas, handling missing values and normalizing features to improve model performance.
- Addressed class imbalance by combining oversampling and undersampling, enhancing model sensitivity to fraud detection.
- Evaluated models using precision, recall, and F1-score, with Random Forest achieving a 0.9992 F1-score on the test set.

## EDUCATION

---

### Sinhgad Academy of Engineering

Bachelor of Engineering - Computer Science: CGPA - 7.84/10

Pune, India

Dec 2021 - Jun 2025

## ACHIEVEMENTS AND CERTIFICATIONS

---

- Data Science - Coursera   [Link](#)
- Big Data Computing - NPTEL   [Link](#)
